SUPERVISORS HOLD REGULAR MEETING

The board of Supervisors, met in regular session Monday, July 18, at 10 o'clock, there being present Jos. M. Francis, presiding, Wm. H. Brown, John MacBain and C. V. Thompson, absent Jas. T. Casey.

Supervisor MacBain presented an estimate from Daly and McKenzie covering alterations in Assessor Hayward's office, costing $212.50, also an estimate of $78.50 for supplying steeple jacks, rigging, etc., for puttying and painting the courthouse flag pole.

On motion of MacBain, seconded by Brown, Daly and McKenzie were instructed to have the above work performed.

The reports of Traffic Officers Logan and Brown were read and ordered filed.

The report of the superintendent of the county hospital for the month ending June 30th. showed that he had taken care of 43 inmates, of which number 3 were discharged.

The returns of the election held Friday, July 16th., at Colma, in the first township, for the purpose of forming two sanitary districts, known as Colma Sanitary District No. 1, and Colma Sanitary District No. 2, were opened and in was found that 75 votes were cast in favor of the Sanitary District No. 1, and 88 against; 30 votes in favor of Sanitary District No. 2 and 89 against.

Chairman Francis reported that certain gardners at Granada in the Fourth Township were using the sides of the highway at that place for growing vegetables, as a result of which considerable damage was being done to the highway by water from irrigating ditches running across it. After considerable discussion the matter was referred to the district attorney, who was instructed to incorporate a provision covering this nuisance in the ordinance governing traffic.

A communication was received from the P. P. I. E. commission, relative to a petition of residents of the coastside, asking for the purchase by the commission of 1000 railway tickets at the price of $.95 for a round trip from San Francisco to Halfmoon Bay, to be used during the Exposition period. The home of Mrs. Catherine Wahl at Beach street and Railroad avenue was almost completely destroyed by fire at an early hour Monday morning. The origin of the fire is unknown.

Mrs. Wahl and her sister who was staying with her, were awakened by crackling of the flames and escaped from the burning building just in time to save their lives.

An alarm was rung in from Box 35 and the fire department, under Chief Winter, responded promptly. The fire had gotten a good start, however, and by the time the department had it under control, the house was completely gutted and the furniture destroyed.

Mrs. Wahl estimates her loss at $1200, partly covered by insurance. Three trains of the Southern Pacific were held up for over an hour on account of the fire hose being stretched across the tracks.

BACHELORS AND BENEDICTS TO ENGAGE IN CONFLICT

Coming! Coming! Coming!
For one day only.

That greatest, grandest and most gorgeous gathering of big attractions ever gathered together inone lot. The M. M. and S. M. is about to make its annual visit to Redwood City.

New faces, new stunts. Twenty-five of the world's greatest stars.

Big street parade. Free band concert. Watch for the date. Wait for the big show.

Circus coming? Not a bit of it. This is written to let you know that the married men and the bachelors have broken loose again and have gone into training for the annual baseball spasm. The married men issued the challege this year and when you read the line-up you can see the reason in their madness. Of course the single men accepted the dare and now staid businessmen and dapper young clerks may be seen chasing the elusive baseball arcund the ball lot any old time.

The Foresters' entertainment fund is to be the beneficiary this year. Redwood City is called upon to raise $2000 in order to defray the expenses of those 6000 Foresters who will be with us for a week in next May and the married men and bachelors are going to do their share. While the exact date of the game has not been set it is safe to say that it will occur some time about the 15th of August. Here is the line-up. Look it over. It is worth while:

REPORTS OF CITY'S BUSINESS SUBMITTED

Council Makes Preparation to Dispose of Fire Department Improvement Bonds

Mayor George A. Merrill, who is enjoying his usual summer vacation, was the only absentee at the regular meeting of the city council last Monday evening. In the absence of the regular presiding officer, the meeting was called to order by City Clerk Plump and Trustee Deleau was chosen president pro tem. The business of the session was confined entirely to matters of a routine nature and these were quickly disposed of, the session being unusually short.

Reports of city officials and employees covering transactions for the past month were presented and after reading were ordered filed.

The reports of City Treasurer Towne show that the general fund of the city, from which the current expenses are paid, has a balance of $2015.52. The water fund continues to show the municipal water plant to be doing a profitable business, the balance in that fund having increased to $3999.31.

According to the reports of City Clerk Plump and Marshal Coleman, the receipts of the city for the month amounted to a total of $4683.79, divided among the various sources of income as follows:

Water rates	$1145.95
Water connections	40.00
Miscallaneous licenses	210.00
Liquor licenses	2510.00
Plumber's fees	22.00
Taxes	148.30
Street Impr. Dist. 13	415.06
Street Impr. Dist. 14	188.48

No objection being made to the request of the Geo. H. Irving Company for the closing of portions of Brewster, Hopkins and Ashley avenues, it was ordered that the portions of these streets required for changes in existing highways be vacated. A formal ordinance, prepared by City Attorney Mansfield, making the order of vacation effective, was introduced and given its first reading.

The ordinance making provision for the issuance of the bonded indebtedness for the purchase of modern fire apparatus, introduced at the last meeting of the council, was given its final reading and adopted by the unanimous vote of the trustees present. Under the provisions of the ordinance, the total of $7,500 will be issued in bonds of $500 each, one of which will be payable annually, the rate of interest being fixed at 5½ per cent.

Following the passage of the ordinance, a resolution was adopted directing City Clerk Plump to advertise for bids for the purchase of the bonds, the bids to be opened at the regular meeting of the council on Monday evening, August 16th.

An application for a saloon license was presented by John Pozzi, for a saloon at 402 Arguello street, the place formerly conducted by Paul Demartini, which has been closed under an order of the trustees since the first of the present month. Upon a motion of Trustee Sampson, chairman of the committee on public morals, the license was ordered issued.

Trustee Tuchsen, chairman of the street committee, reported that an ordinance designed to regulate the width of tires used in vehicles on public highways was under consideration by the board of supervisors and recommended that action by the council on this subject be deferred with a view of securing uniformity of regulation. The reccommendation was approved and action deferred until the next meeting.

The usual list of claims against the city was audited and after approval by the finance committee was ordered allowed.

Ladies Night by Foresters.

Court Madrone, F. of A., will hold a ladies night, Thursday, July 29th, in their hall which will provide pleasure and amusement for old and young. A card party in the lodge rooms upstairs will be held for those who prefer this recreation. Valuable prizes will be awarded for the best lady and gentleman players and also consolation prizes for those who are not so fortunate. Down stairs in the social hall a dance for all who desire to participate will be held. In addition, refreshments will be served to all. Everything, cards, dance and refreshments will be free, and everybody is cordially invited This is the first affair of this kind given by the Foresters and indications point to its success.

Entertained Relative.

Charles A. Sweigert, a prominent attorney of San Francisco, was here on Wednesday visiting his cousin, H. W. Schaberg. Mr. Sweigert will be a candidate for the nomination of district attorney of the metropolis at the primaries to be held next September. His most prominent opponent will be Charles Fickert, the incumbent. It looks now as if Mr. Sweigert will be successful in securing the coveted nomination, which in his case would mean an election. He has a host of friends who are working and pulling every string for him.

On August 1st the Redwood City baseball nine will journey to Halfmoon Bay to give battle to the Halfmoon Bay team. A big crowd of fans from here will accompany the local aggregation to cheer them to victory. Those wishing to join the caravan will send their names to Ray Griffin.

COUNTY SCHOOL DISTRICTS APPORTIONED STATE AID

County Superintendent of Schools, Roy W. Cloud, has made the following apportionments of school money to the various districts of the county. This apportionment is made from the last allotment of state money for the school year of 1914 and 1915. In sending a notice of the amount credited to each county, the state superintendent gave notice that this would be the last money received from the collection of poll taxes and hereafter the county superintendent of schools would be required to increase the county rate in order that the deficiency caused by the abolition of the poll tax might be overcome.

Moonlight Ride to Coast.

The moonlight ride and grand ball to be given by the Young Bachelors of Redwood City in the I. D. E. S. Hall at Halfmoon Bay on July 31, is to be greatly augmented by the fact that the Redwood City baseball team, their friends and fans, will accompany the Young Bachelors to Halfmoon Bay in the motor trucks to enjoy the grand ball and then play ball against the pick of the Halfmoon Bay and San Gregorio teams. San Gregorio is but a village, yet through a queer coincidence, this year they have some of the best ball players to be found in any amateur team and a good game is assured. They have not lost a game this year. The Young Bachelors have made arrangements so that those desiring to leave Halfmoon Bay as soon as the dance is over, may do so, as the trucks will be in readiness at any time to return. It is important that those that intend to make the trip, notify the Young Bachelors of their intention, so that there will be room for all in the motor trucks. Some of the trucks will leave at six in the evening and others will follow as they are filled, all arriving at Halfmoon Bay in about one and a half hours. The Young Bachelors made a "Booster Trip" along the coast from Farallone to San Gregorio and the entire coastside will attend the dance, at which we know the Young Bachelors will have one of the biggest times dreamed of, and for which they are noted. If you are going, notify the Young Bachelors, and do it now, that you may ride in comfort.

IS COBURN COMPETENT OR IS HE INCOMPETENT?

When the petition of Mrs. Sarah Satira Coburn asking that her husband, Loren Coburn, be declared incompetent and she be appointed his guardian, came up for hearing before Judge Buck on Thursday, there was no one to represent it and the hearing was continued to August 5th. Before the convening of court on that day County Clerk Nash received a message from H. J. Bias of Santa Cruz, the attorney representing Mrs. Coburn, requested that the petition be dismissed and that the notice of such dismissal would be filed shortly. He also said that Coburn had agreed to the petition as originally drafted but had changed his mind and now wanted it dismissed. Up to a late hour last evening the expected notice of dismissal had not been filed with the clerk. It is said there is a powerful influence at work trying to have the proceedings squashed, while on the other hand there are mighty powers quietly striving to have the old man declared incompetent. In the meantime the old octogenarian looks on complacently and wonders what will happen next.

Prominent Rancher Visiting.

E. B. McFarland was in town calling on friends. Mr. McFarland owns a ranch of 700 acres near the Spring Valley property adjoining Redwood Park and is engaged in raising blooded cattle and hogs. He has a number of hogs on exhibition at the exposition and the exhibit is rated by the department of Agriculture of the University of Califirnia to be the very best ever seem in the western portion of the United States. Mr. McFarland is a graduate of the department of Agriculture of the State University and is farming and stock raising along scientific lines.

De Le Hunt, all of Los Angeles.

They both filed written requests to have their father appointed their guardian. The estates consist of cash, amounting to $588.36 each, received from the estate of David McMullen, which has just been distributed. The guardian's bond was fixed at $1200.

New Probate Applications.

Victoria Muer has applied in the superior court for letters of administration upon the estate of Fortunato Muer, who died in this county on July 12, 1915. The estate consists of a deposit in the San Mateo County Savings Bank at Redwood City amounting to $776.73, and other personal property of little value. The entire estate does not exceed the sum of $800 in value. The heirs at law are G. Muer and D. Muer, father and mother of the deceased, residing in Italy. The petitioner is a brother of the deceased. E. F. Fitzpatrick is the attorney for the petitioner.

Appeal Cases Argued.

Matt I. Sullivan argued for several hours yesterday before Judge Buck for a new trial in the case of A. J. Treat against Loren Coburn. Mr. Treat recently secured a judgment against the aged capitalist for fees amounting to $50,000. Mr. Sullivan presented the court with a great number of authorities bearing on his contention. He was replied to by Charles S. Wheeler. Mr. Sullivan also asks for a new trial in the case of R. P. Henshall against Loren Coburn, the former having secured a judgment of $10,500. Bert Schlessinger made the reply to Sullivan. Both cases were taken under submission by the court.

New Actions in Superior Court.

Agostino Torre has brought an action against Giuseppe Patroni and others to recover the sum of $630.35 for labor performed for defendants during the two years last past. Plaintiff's claim is for $100.25 and the following claims have been assigned to him: D. Martenelli for $208.75, E. Pierucci for $121.50, D. Darto for $110.55 and L. Adelno for $89.30. Plaintiff also asks for interest and cost of suit.

Mary L. Timeus has brought an action in the superior court against George T. Rolley to have a certain contract or agreement entered into by the parties on August 19, 1913, declared null and void. According to the agreement, plaintiff sold to defendant lot 21 with improvements in Wooster, Whitton and Montgomery Subdivision, Redwood City, for $5500 less a mortgage of $1500. Defendant agreed to pay $500 at the time of the execution of the agreement, $1,000 in 90 days thereafter, $1,000 on November 1st and the balance of $1,500 on November 1st, 1915. Rolley paid the $500 and the $1,000 due in 90 days but no more and has neglected to keep the terms of the agreement. Plaintiff asks that the court release her from any further obligations and that said court declare that defendant have no right, interest, or equity in the property.

Samuel A. Barker and others have commenced a suit in the superior court against J. L. Ricketts and others to recover the sum of $528.65 on open book account for wares, merchandise, etc., furnished defendants during the four years last past. Plaintiffs in a second cause of action ask for the further sum of $28.75, the assigned claim of Mrs. Edith M. Packard for merchandise furnished defendants. Plaintiffs ask for the sum of $557.40, interest and costs of suit. Ross and Ross are the attorneys for plaintiffs.

Henry Bloom has brought an action in the superior court against Philip Deller and others to foreclose a chattel mortgage executed on March 6, 1913, in San Francisco on certain tools, fictures, etc., in a butcher shop at Daly City for $350 and for interest and costs of suit.

William Perkins has petitioned the superior court for a decree vesting the title of a homestead to lot 8, block 35, Western Addition to the City of San Mateo, in him. The petition recites that William Perkins and Agnes Perkins on their marriage on July 29, 1912, homesteaded the property and that Agnes Perkins died on February 2,1915. The realty is improved and is mortgaged for $400.

John W. Gilcrest has brought an action in the superior court against F. Paolinelli and others to recover the sum of$461.75 for labor and services rendered defendants during the past two years. Mr. Gilcrest was engaged to bore wells near Halfmoon Bay for defendants, the water from the wells to be used for growing artichokes. The amount of the claim against defendants was for $546.75, but defendants paid cash and bought casing, the amount of credits amounting to $84.50, leaving a balance of $461.75. Plaintiff also asks for interest and costs of suit.

PEACE DISTURBER GIVEN FULL LIMIT OF PUNISHMENT

Judge George Seely gave the full limit to Fred Fillippini of Pescadero in sentencing him on a charge of battery yesterday. Fillippini was sentenced to serve six months in the county jail and to pay a fine of $1000. Harry W. Good, the well-known plumber of Pescadero, was the complainant and on the witness stand yesterday berated Fillippini for his shortcomings, calling him a gambler, loafer and a scoundrel of the worst sort. It appears from the evidence adduced at the trial that Fillippini is infatuated with the young daughter of Mr. Good and both have been meeting clandestinely. On the night of July 15th Mr. Good awoke at a late hour and going to the parlor of his home in his night dress discovered Fillippini crouched behind a chair. The latter sprang at him like a caged lion and a terrible battle ensued. Both rolled out on the porch and into the garden, where Fillippini escaped in the darkness. Some time later he was arrested and brought to this city and released on bonds. Good claims that he has been hounded and harrassed by Phillippini. On numerous occasions he warned him not to come to his home, even going so far as to threaten to kill him if he ever darkened his door. Good was extremely bitter in his denunciation of his enemy on the stand yesterday. He said that Fillippini had not worked but 90 days in a year, that he played craps and poker.

Good, in order to avoid trouble with his nemesis, has sold his home at Pescadero and is preparing to move to some other locality that will be more congenial. Judge Seely, in passing sentence, severely scored the prisoner. Fillippini will appeal the case to the superior court.

VALUATIONS BY ASSESSOR GIVEN PUBLIC APPROVAL

It is quite apparent that the property owners and taxpayers are fully satisfied with the assessment made by C. D. Hayward, San Mateo county's most popular assessor. The supervisors concluded their third meeting last Monday as a board of equalization to hear protests from taxpayers desiring a reduction of their assessments. No one put in an appearance or sent a communication asking the board for a reduction. This certainly speaks volumes for Mr. Hayward, who is always just and fair in assessing the property of the county and who is ever ready to listen to the just complaint of the property owner. Mr. Hayward may be justly proud of his administration, for there are few counties in the State where assessment of property is so equitably made and which is so satisfactory to the land owner.
